VERSE: (Instrumental)

(CHORUS)              E              E/A

*VERSE 3:*

Turn around  
Every now and then I know you'll never be the boy you  
always wanted to be  
Turn around.  
But every now and then I know you'll always be the only boy  
who wanted me the way that I am  
Turn around.  
Every now and then I know there's no-one in the universe as  
magical and wonderous as you  
Turn around.  
Every now and then I know there's nothing any better there's  
nothing that I just wouldn't do

*CHORUS:*

Turn around bright eyes  
Every now and then I fall apart  
Turn around bright eyes  
Every now and then I fall apart

*MIDDLE:*

And I need you now tonight, and I need you more than ever  
And if you'll only hold me tight we'll be holding on forever  
And we'll only be making it right cause we'll never be  
wrong together

We can take it to the end of the line.  
Your love is like a shadow on me all the time  
I don't know what to do and I'm always in the dark  
We're living in a powder keg and giving off sparks

I really need you tonight, forever's gonna start tonight,  
forever's gonna start tonight

Once upon a time I was falling in love, but now I'm only  
falling apart

Nothing I can do, a total eclipse of the heart  
Once upon a time there was light in my life, but now  
there's only love in the dark  
Nothing I can say, a total eclipse of the heart  
A total eclipse of the heart

Turn around bright eyes  
Turn around bright eyes  
Turn around
